

LIFEGROUP DISCUSSION STARTERS

- ◊ If you were an artist, what medium would you prefer to work in and why? Share any art that you have created in the past?
- ◊ Think through the message you heard this past weekend from Jim Hutchison, DBU. Share insights or thoughts that made an impact on you.
- ◊ Why is or is not art important for the church and Believers? Discuss how you (and others in our culture) judge between 'beauty' & 'ugliness'.
- ◊ Take some time to talk through the Scriptures and discuss passages that speak to art, artistry, beauty and/or God's creative nature.
- ◊ Read these passages and discuss whether you believe God is concerned with art: Is. 64:8; Ex. 31:2-14; 35:30-35; 2 Chron. 2:14; 1 Cor. 10:31; Phil. 4:8. What words in Ps. 139:13-16 speak to artistry?
