

## **DINNER TABLE & LIFEGROUP LEADERS' DISCUSSION STARTERS**

- ◇ Paul told Timothy he wanted men 'in every place' to pray without wrath and dissension. What have you come to believe he intended for Timothy to understand by that charge? How or in what ways do we disobey that command?
  
- ◇ Do we give enough attention to prayer in our public worship services? Are godly men given the freedom and opportunity to lead in prayer? Do you find prayer boring and difficult to hold your attention in worship services? Why or why not? If you are bored, what could you do to change that?
  
- ◇ Develop your own 'dress code' for a girl or woman who 'makes a claim to godliness.' What would you include and preclude in your 'dress code'?
  
- ◇ Defend your position on whether or not gold, braided hair, pearls and costly clothes are good, bad or indifferent to the life of a believing woman.
  
- ◇ What types of 'good works' do you think Paul had in mind when he mentioned this in his letter to Timothy?
