

**DINNER TABLE &
LIFEGROUP LEADERS' DISCUSSION REVIEW**

1. Check out these passages: Lev. 19:31; 20:6, 27; Dt. 18:10-11; Ex. 22:18. Why does the Word deal so harshly with this issue? Is it still possible to sin similarly today? How?

2. Saul arrogantly sinned. We, too, can go too far. Share with one another passages indicating it is possible to go too far and, as a consequence, the Lord 'gives you up'.

3. How do you know Saul was desperate for direction? Ever found yourself so desperate you are willing to seek direction from somewhere other than the Lord? When? Why?

4. List all the reasons you can find that reveal that this 'medium' was not really able to do what she said she could do.

5. Saul's sin affected Saul, the nation and his family. Sin is never without consequence. Discuss the consequence of sin and what a fellow believer's response should be.
