

**DINNER TABLE &
LIFEGROUP LEADERS' DISCUSSION REVIEW**

1. Share a time when you delivered the most important message of your life? When was it...to whom did the message go...why was it important....etc.?

2. Paul viewed the Colossian believers as God made them and viewed them...saints. What is your view of fellow believers? Do you always view them from God's perspective? Why or why not?

3. Paul calls the Colossian believers 'saints' ('holy ones')...this is a parallel concept to "called" (Rom. 1:7; I Cor. 1:2; 2 Cor. 1:1), "elect" (Rom. 8:33; Col. 3:12) or "faithful" (Col. 1:2). If you are a follower of Christ, you have been elected and called and are holy. Share two ways in which you can see the Holy Spirit conforming you into the image of our Holy Lord Jesus.

4. Bruce states, "Grace is God's unconditioned goodwill toward men and women which is decisively expressed in the saving work of Christ." Share with your LifeGroup/family tangible ways in which you demonstrate your desire to see others experience God's unconditional goodwill.

5. Paul desires 'peace' for the Colossian believers. What causes us to fail to experience the peace God provides? How can we regularly walk in the peace of God?
