

**DINNER TABLE &
LIFEGROUP LEADERS' DISCUSSION REVIEW**

1. Discuss as many biblical terms as you are able to remember that describe salvation or an aspect of salvation and share what each means to you.
2. Discuss how verse 21 paints a picture of your past.
3. Share a time when you were reconciled to someone and tell what it cost you (no names).
4. If these terms are true of you because of what Jesus did, share why they are significant to you: holy, blame & beyond reproach.
5. If God loved us enough to send His Son for us in order to reconcile us to Himself, is there any cost too great for you to pay to be reconciled to your brothers.
