LIFEGROUP LEADERS' DISCUSSION REVIEW**

1. As you read Luke 19:29-44, choose a verse or phrase that stands out to you. This could be something you are intrigued by, something that makes you uncomfortable, something that puzzles you, something that resonates with you, or just something you want to examine further. Share this for discussion with your group or family.

2. When considering how quickly the owners of the colt allowed the disciples to borrow the animal for Jesus, how should we respond when we are given opportunities to share our resources? As I stated in this week's sermon, it is much easier to think about being generous for the Lord's work than to actually do it. What are some areas in your life that you hold back from the Lord? What steps can you take to begin to loosen your grip on these things?

3. When Jesus entered Jerusalem, His disciples were the first to give Him praise. This caused others to notice Jesus and to praise Him as well. At Faith, we claim that we are about "Living to make Him known." Is your praise for God in your life evident? In what specific ways are you living to make Christ known?
