LIFEGROUP LEADERS' DISCUSSION REVIEW**

1. Jesus died so you might live. In ten minutes, share with the group as many benefits as possible related to your salvation.

2. Are some sins too terrible for God to forgive? Give biblical support for your response. What do you believe is the unpardonable sin...give biblical support for your response?

3. Will the acceptance of grace—God's unmerited favor—lead to rebellious and ungodly living? Why do you believe this? See Romans 6.

4. Does grace mean that God removes the consequences of our sins (Gal. 6:7)? If not, how is it grace?

5. Reflection: Like Peter, we too have disappointed God. Take a few moments and consider the significance of all you have been forgiven. Thank God for His gracious provision of His spotless Lamb for your sin.
