

**DINNER TABLE &
LIFEGROUP LEADERS' DISCUSSION REVIEW**
[Adapted from what Dr. Yarbrough shared at Family Camp]

1. Read thru the OT Book of Jonah. Make 5 observations about Jonah and sin.

2. Consider the following: "Growth Indicator #4: A life that is growing spiritually shows a consistency between words and works." How do you see this truth in Jonah?

3. Compare the Ninevites' behavior with Jonah's. Which most honored God? Why?

4. List everything in Jonah that obeyed God. Why is this significant?

5. Consider the following: "Growth Indicator #10: A life that is growing spiritually responds to God's commands in total and immediate obedience." Who most resembles this 'Growth Indicator' in Jonah? How is this 'Growth Indicator' seen in your life? Close by praying that it will become more of a characteristic of your life.
